

Lifeline and Affordable Connectivity Program (ACP) Enrollment Applications

Lifeline and the Affordable Connectivity Program (ACP) are separate programs. Lifeline benefits may be combined with ACP benefits and applied to the same service plan. You may also apply Lifeline and ACP benefits to different service plans. You do not need to enroll in Lifeline in order to enroll in ACP, and you do not need to enroll in ACP in order to enroll in Lifeline. You may choose to get Lifeline and ACP services from different service providers. You may transfer your Lifeline and ACP services to another provider subject to certain regulatory restrictions.

Completion of this form is required. This form is used for the purpose of verifying your eligibility and enrolling you in Lifeline and ACP benefits and an eligible StandUp Wireless service plan. This form will not be used for any other purpose. Lifeline and ACP benefits are subject to verification of eligibility by StandUp Wireless and the National Verifier.

If you wish to enroll in only Lifeline or only the ACP with StandUp Wireless, you may do so by using either the separate Lifeline Enrollment Application or ACP Enrollment Application.

Lifeline and ACP services are subject to availability. StandUp Wireless's complete Terms and Conditions, including the Acceptable Use and Privacy Policies, apply and are available at www.standupwireless.com.

StandUp Wireless service is a prepaid service offered by the company to subscribers eligible for Lifeline and/or ACP discount benefits in states where it is authorized to do so. To maintain your service and benefits, you must personally activate the service by placing a call, initiating data usage, or by responding to direct contact from StandUp Wireless to activate the service. To keep your account active, you must use the service at least once during any 30-day period by completing an outbound call, sending a text message, using cellular data, purchasing additional service from StandUp Wireless, answering an inbound call from someone other than StandUp Wireless, or by responding to a direct contact from StandUp Wireless confirming that you want to continue receiving service from StandUp Wireless. If your service goes unused for 30 days, you will no longer be eligible for Lifeline and/or ACP benefits, and your service may be suspended (allowing only 911 calls and calls to StandUp Wireless's customer care center) subject to a 15-day cure period during which you must use the service (as described above) in order to fully reactivate your service, keep your telephone number and remain enrolled in Lifeline and/or ACP.

- ☒ I hereby certify that I have read and understood the disclosures listed above regarding activation and usage requirements.

Lifeline Application, Disclosures, Authorizations and Certifications

Lifeline is a government benefit program operated by the Federal Communications Commission (FCC) that provides discounts on monthly broadband Internet access service and/or voice service. For more information about Lifeline and program eligibility, call us at 1-800-544-4441 or visit www.standupwireless.com/lifeline.

Willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program.

Only one Lifeline service is available per household. A household is not permitted to receive Lifeline benefits from multiple providers. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in you being de-enrolled from the Lifeline program.

Lifeline monthly discount benefits are not transferrable to other households or individuals.

Eligibility for Lifeline is determined by the National Verifier and National Lifeline Accountability Database, administered by the Universal Service Administrative Company (USAC), or an alternative verification process approved by the FCC.

StandUp Wireless's complete Terms and Conditions, including the Acceptable Use and Privacy Policies, apply and are available at www.standupwireless.com.

- ☒ I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and
- ☒ I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits pursuant to 47 C.F.R. § 54.405(e)(4).

Lifeline Benefit Transfer Consent:

A subscriber already enrolled in the Lifeline with another provider must consent to the transfer of their Lifeline benefit to StandUp Wireless.

The effect of a Lifeline benefit transfer is that your Lifeline benefit will be applied to StandUp Wireless's Lifeline service and will no longer be applied to service retained from your former Lifeline service provider. You may be subject to your former Lifeline provider's undiscounted rates as a result of the transfer if you elect to maintain service from that provider.

- ☒ **After receiving and reviewing the foregoing required disclosures, I consent to and authorize StandUp Wireless to transfer my current Lifeline benefit to StandUp Wireless, if I am found to already be receiving a Lifeline discount benefit from another Lifeline provider.**

ACP Application, Disclosures, Authorizations and Certifications

The Affordable Connectivity Program (ACP) is a government benefit program operated by the Federal Communications Commission (FCC) that provides discounts on monthly broadband Internet access service and certain connected devices. For more information about the ACP and program eligibility requirements, call us at 1-800-544-4441 or visit www.standupwireless.com/acp.

Willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program.

ACP benefits may be obtained from any participating provider of your choosing, and your monthly service benefit may be transferred to another provider no more than once in a service month.

ACP discounts can be applied to any available StandUp Wireless service plans at the same terms available to households that are not eligible for ACP supported services. Upload/download speeds will be determined by your particular service plan and other factors, including your device, network availability from our underlying carrier, your proximity to cellular towers, and environmental factors that may affect speeds, as described in our Broadband Transparency Disclosure at www.standupwireless.com. A complete listing of our plans, including plans that are fully covered (no co-pay after application of the ACP discount), is available at www.standupwireless.com/acp/plans.

StandUp Wireless's complete Terms and Conditions, including the Acceptable Use Policy, Privacy Policy and ACP Terms and Conditions, apply and are available at www.standupwireless.com.

ACP monthly service and device discounts are not transferrable to other households or individuals.

An eligible household is limited to one ACP monthly internet discount and a single, one-time connected device discount.

An eligible household does not have to purchase an ACP discounted connected device in order to enroll in the ACP and receive monthly service discounts. Devices available for ACP discounts are listed at www.standupwireless.com/support/devices.

Eligibility for the ACP is determined by the National Verifier and National Lifeline Accountability Database, administered by the Universal Service Administrative Company (USAC), or an alternative verification process approved by the FCC.

Your ACP discount is separate from your Lifeline discount. Your household can receive only one ACP benefit and one Lifeline benefit. Your ACP benefit can be separate or combined with your Lifeline benefit, depending on the service plan you choose. Lifeline participants may maintain their existing Lifeline services without enrolling in the ACP and may choose to take ACP benefits from another service provider.

If the FCC announces the end of the ACP, we discontinue our ACP service offers, you transfer your ACP benefits to another provider, or we determine your household is no longer eligible, we will notify you, and you will be subject to StandUp Wireless's regular rates, terms, and conditions. You may keep your service plan by paying the applicable undiscounted rate plus applicable fees and taxes.

If you select a plan that is not fully covered by applicable discounts and requires monthly post-payments (StandUp Wireless does not offer any such plans at this time), StandUp Wireless may disconnect your ACP-supported service after 90 consecutive days of non-payment on a post-paid plan.

A household may file a complaint against an ACP service provider via the FCC's Consumer Complaint Center.

- ☒ **I hereby certify that I have read and understood the disclosures listed above regarding the ACP benefits and consent to enroll in the ACP with StandUp Wireless.**

- ☒ I authorize and give express consent for StandUp Wireless and its contracted partners to contact me to validate my eligibility for, desire to participate in, or subscription to StandUp Wireless's ACP offers and other products and services via email, telephone, or text messaging, including calls using an automated telephone dialing system, manually, or with pre-recorded/artificial voice messages. Text messaging and data rates may apply. Consent for emails, calls and texts is optional and can be revoked at any time by dialing 611 from my StandUp Wireless provided wireless number or calling 1-800-544-4441. - ☒ I acknowledge that I am providing the information I have included in this form to CGM, LLC and further authorize CGM, LLC to receive and use my information for enrollment verification and waste, fraud, and abuse mitigation purposes. I also authorize CGM to receive and use my historic ACP enrollment information for verification and waste, fraud, and abuse mitigation purposes.
- ☒ I agree that any state, local, Tribal government, school, or school district, may share information about my receipt of benefits that would establish eligibility for the ACP and that such information will be used only to determine ACP eligibility.
- ☒ I certify that if I receive a connected device discount from StandUp Wireless as part of the ACP, I will pay \$10.01 for the connected device and that, to the best of my knowledge, no one in my household has received a connected device discount from any service provider through the ACP or the Emergency Broadband Benefit program.
- ☒ I authorize StandUp Wireless and its contracted partners, for the purpose of applying for, determining eligibility, enrolling in and seeking reimbursement of ACP service and connected device benefits, to collect, use, share, and retain my personal information, including but not limited to information required for the purpose of establishing eligibility for and enrolling in the ACP program, and including, but not limited to, full name, full residential address, date of birth, last four digits of social security number, telephone number, eligibility criteria and status, the date on which the ACP service discount was initiated and if applicable, terminated, usage status and other compliance requirements, the amount of support being sought for the service, and information necessary to establish identity and verifiable address. This information may be shared with Universal Service Administrative Company (USAC) to ensure proper administration of the ACP program. Failure to provide consent will result in me being denied ACP service and connected device benefits.
