Dear Andrea,

FHSU ID: 29231055

As part of the Affordable Connectivity Act students must demonstrate that they meet the required guidelines. One of the ways this can be demonstrated is to receive a federal Pell Grant for the current academic award year.

This letter is to confirm that you did receive a federal Pell Grant for the 2022-2023 award year from Fort Hays State University.

Should you need further assistance to qualify for the Affordable Connectivity Act please feel free to contact our office.

Sincerely,

Chantelle Arnold
