This service is supported by Lifeline. Lifeline is a federal benefit that makes monthly telephone and broadband service more affordable for eligible households. Your household may receive the Lifeline benefit for telephone service OR broadband service, but not both. For Lifeline telephone service, your household may receive the Lifeline benefit for one mobile OR one fixed home telephone service, but not both. For Lifeline broadband service, your household may receive the Lifeline benefit for one mobile broadband OR one fixed broadband service, but not both. Your household may not receive the Lifeline benefit from more than one service provider. For the purpose of Lifeline, a household is an individual or any group of individuals who live together at the same address and share income and expenses. Lifeline is a non-transferable benefit. You may not transfer your Lifeline benefit to another person, even if he or she is eligible. You will lose your Lifeline benefit and may be prosecuted by the United States government if you violate the one-per-household rule or otherwise make false statements to receive the Lifeline benefit.

We will validate your Lifeline eligibility with the National Verifier. By clicking the 'I agree and E-sign' button below, you are selecting SafeLink as your Lifeline provider. Once we receive confirmation of your eligibility from the National Verifier, we will automatically enroll you with SafeLink. If you currently receive Lifeline from another provider, your other Lifeline benefit will be terminated. You authorize SafeLink to communicate any information provided to the Universal Service Administrative Company for the purpose of providing Lifeline service to you.

I understand this is a digital signature and is the same as if I sign my name with a pen.

- I authorize SafeLink Wireless or its duly appointed representative to: (1) access any records required to verify my statements herein; (2) to confirm my continued eligibility for Lifeline assistance; (3) to update my address to proper mailing address format; (4) to provide my name, telephone number, and address to the Universal Service Administrative Company (USAC) (the administrator of the program) and/or its agents for the purpose of verifying that I do not receive more than one Lifeline benefit; and (5) authorize social service agency representatives, including the Massachusetts Department of Transitional Assistance, to discuss with and/or provide information to SafeLink Wireless® verifying my participation in benefit programs that qualify me for Lifeline assistance.

- By submitting this application, you authorize social service agency representatives, including the Massachusetts Department of Transitional Assistance, to discuss with and/or provide information to SafeLink Wireless verifying your participation in benefit programs that qualify you for Lifeline assistance.
