If you fail to report changes as required, or if the information you provide is not correct, you may have to repay any benefits you receive for which you were not eligible and you may be prosecuted for fraud. You must report other changes and your household's situation at the time of the next recertification. If you have access to a computer, you may report your changes online at the ACCESS Florida website www.myflorida.com/accessflorida. You may also report changes by calling the ACCESS Florida Customer Call Center toll free at 1-850-300-4323 or by mail to the return address at the top of this notice.

Once you have validated your account you will be able to see the status of your benefits, view notices, renew benefits, request additional benefits, report changes, and upload documents.

Food Assistance Work Rules

The Food Assistance Program has different work rules that must be followed to receive food assistance benefits. There are general work rules, Employment and Training (E&T) work rules, and Able-Bodied Adults Without Dependents (ABAWD) work rules. Different people in your house may need to follow different work rules and may need to follow more than one work rule. If you don't follow these rules, your food assistance benefits may decrease or end.
