We plan to increase your monthly Supplemental Security Income (SSI) payment from \$267.00 to \$289.00 beginning January 2023. The amount will change because of a rise in the cost of living. You will continue to get the new amount each month unless there is a change in the information we use to figure your payment.

The rest of this letter explains more about your SSI payments. It also tells you how to find affordable health care.

We explain how we figured the monthly payment amount on the worksheet(s) at the end of this letter. The explanation shows how your income, other than any SSI payments, affects your SSI payment. We include explanations only for months where payment amounts change.

When You Will Receive Your Payments

Your representative payee will receive your monthly payment of \$289.00 around January 1, 2023, and on the first of each month after that.

Information Used In Making The Decision

Our records show that the following income used to figure your payment has also changed--

Your increased Social Security benefits--before any deductions for Medicare premiums-- of \$645.00. You should receive the increased Social Security benefit about January 3, 2023. We must count the increase in your benefits for January 2023 even though we are counting your other income for November 2022.

If You Work Or Want To Return To Work

We have a free and voluntary program called Ticket to Work that helps people who get disability benefits go to work. If you participate in this program, we may set aside review of your medical condition. Special rules may allow you to keep your Medicare or Medicaid and some or all of your disability benefits during your transition to work. Over time, you can replace your benefit payments with earnings from work. Please visit <https://choosework.ssa.gov> to find a list of service providers, including benefits and work incentives counselors, who can help you find, prepare for, and keep a job. For more information, contact the Ticket to Work Help Line at **1-866-968-7842 (TTY 1-866-833-2967)**.

If you receive disability benefits and work, you must call us right away at **1-800-772-1213 (TTY 1-800-325-0778)** and tell us about any earnings you have. When you get SSI, you must also tell us each month if there are changes in the amount of your earnings. If you do not report your earnings and you get paid too much, you may have to repay benefits received. When you report your earnings, we will give you a receipt to verify your report. Keep this receipt with your other important papers from us. To learn more, visit www.ssa.gov/pubs/EN-05-10095.pdf and read Working While Disabled: How We Can Help (Publication No. 05-10095). For more information on employment support programs, visit www.ssa.gov/redbook and read The Red Book - A Summary Guide To Employment Supports (Publication No. 64-030).
