The top part of this page is your Medical Card. The people named on the back of the card qualify for health coverage. Please read the front and back of this page. Cut on the dotted line and carry your card with you. You may have to show it and a picture ID when you go for medical care.

The Medical Card does not guarantee that you are covered. Your doctor or pharmacy or other medical provider can use the information on the card to check your coverage. You can check your coverage anytime in your account online at [ABE.illinois.gov](http://ABE.illinois.gov). You can also call 1-855-828-4995 anytime to check through the automated phone system.

To check eligibility you will need the Recipient Identification Number (**RIN**) next to each person's name on the back of the Medical Card. You can also check using the person's name, Social Security Number and date of birth.

### **What happens next?**

If this is the first time you qualify for Medicaid or if you used to have Medicaid coverage but it ended more than two months ago, you may be required to enroll in a health plan. Watch your mail for another notice that will tell you how to pick a health plan and a primary care doctor or clinic. Until then, you can use this Medical Card to get medical services.

If you already have Medicaid or your Medicaid ended less than two months ago, you probably chose a health plan before. If this is true for your household, you may keep the same health plan. If you have questions about your health plan, call the number on the back of your health plan card or visit the health plan's website.

If you do not know if you have a health plan, you can call the Health Benefits Hotline at 1-800-226-0768 (TTY: 1-877-204-1012) to find out.

If you are required to enroll in a health plan, Client Enrollment Services will send you an enrollment packet. Not all Medicaid clients are required to join a health plan.

**If I need to see a doctor right away, what should I do?** If you do not already have a health plan or a primary doctor or clinic and you need help to find a doctor right away, call the Health Benefits Hotline at 1-800-226-0768 (TTY: 1-877-204-1012).
