

To Whom It May Concern:

Bricolage Academy is designated as a Whole School Title I school according to Federal Every Student Succeeds (ESSA) guidelines. This designation is in effect due to the large number of families with low incomes, enabling students to receive either free or reduced lunch and other benefits.

Everett May currently attends Bricolage Academy. If you have further questions, please feel free to reach out to Donald Hess, School Operations Manager at dhess@bricolagenola.org

Sincerely,

Caitlin Meehan-Draper
Middle School Principal
