REPORTING CHANGES

For SNAP the only changes you must report are:

1. If your assistance group's gross monthly income goes above the amount below:

Assistance group size: 3.0

Income limit: \$2,495.00

2. You are required to report when you or a member of your household wins \$4250 or more (before withholdings) in lottery or gambling winnings. In Ohio, lottery or gambling winnings is a cash payout won in a single game and may include but are not limited to payouts from: casinos, racinos, slot machines, poker, keno, and other forms of gambling. A household is not eligible to participate in SNAP when a member of the household has substantial lottery or gambling winnings. Your household may reapply for benefits once you meet the allowable income and resource eligibility requirements.

3. If you or a member of your assistance group is an able-bodied adult without dependents who is working you must report if their hours fall below 20 hours weekly or 80 hours monthly.

You must report these changes to your caseworker within 10 days after the last day of the month in which the change first happened. For example: If your income goes over the income limit listed above in November, you must report the change to your caseworker by December 10th. NOTE: If your assistance group is receiving Ohio Works First or Medicaid you are still required to report all changes in circumstances within 10 days of the change, including changes of more than \$50 in your assistance group's gross monthly income.

If you are required to complete an interim report and need help completing the form or have questions, please contact your county JFS office.

You can use your SNAP benefits as soon as they are loaded each month. You must use your card to buy some food or make a return at least once every 273 days (9 months) or we will deduct unused benefits older than 9 months from your account. Additionally, the total balance of each Ohio Direction Card account associated with the members of your assistance group will be deducted if at any point all members of your assistance group have passed away.

Penalty Warning: The information you provide to your caseworker in writing, electronically or by phone will be subject to verification by federal, state, and local officials. If any information is found to be inaccurate, you may be denied SNAP benefits, you may be barred from the SNAP Program for 12 or more months, or permanently; fined; and/or imprisoned and subject to prosecution for knowingly providing false information.

You may use your SNAP benefits when you shop for food by presenting your Ohio Direction Card and entering your 4-digit personal identification number (PIN). The Ohio Direction Card is similar to a debit card and should be kept in safe place. In order to protect your benefits from potential scams such as skimming or card cloning, it is recommended that you select a PIN that is not easily guessed, change your PIN frequently (especially after any online purchases), monitor your balance often, and do not share your card number or PIN with anyone. Call Ohio Direction Customer Service at 1-866-386-3071, toll free, if you have questions or need help with your card or your account (for example: to activate your card; to select or change your PIN; to obtain your account balance; to report a mistake in your account; to report your card as lost, stolen, or damaged; etc.). Customer Service is open 24 hours a day, 7 days a week.

There may be farmers' markets in your county that accept SNAP benefits. Visit <http://jfs.ohio.gov/ofam/InfoCustomer.stm> to locate farmers' markets in your area that accept SNAP.

If you are only receiving SNAP and you later apply for Ohio Works First, or Medicaid assistance we will help you reapply for SNAP at that time so that in the future you can have your reapplication appointments for all assistance at the same time.
