You Qualify for the Affordable Connectivity Program! Now, it's Time to Sign Up with a Provider.

Dear JESSICA,

Your application for the [Affordable Connectivity Program \(ACP\)](#) has been approved!

If you haven't already done so, your next step is to sign up with a participating internet company by 01/02/2023 so you can begin receiving discounted broadband service through the ACP.

Sign up by 01/02/2023 or you will need to reapply for the ACP.

Even if you want to receive the benefit from your current internet service provider, you still need to contact them to start receiving the ACP benefit.

How to Sign Up with a Provider

1. Contact a participating [internet company](#) to pick a service plan and ask to sign up for the ACP to start receiving the benefit.

If you are interested in a connected device, [click here](#) for a list of companies that offer connected devices. Not all companies participating in the program are offering connected devices. You will need to enroll with a company to receive your broadband AND device benefit.

2. Tell the provider that you have been approved by the Universal Service Administrative Company (USAC).
3. **IMPORTANT TIP:** Give the provider the following information as it appears on your ACP application so they can sign you up:

Application ID:	B83883-23248
Full Legal Name:	JESSICA HALL
Child/Dependent's Full Legal	

Name:	
Address:	2356 NEW HAVEN DR CENTRAL POINT, OR 97502
Method of Identity Verification:	Last 4 digits of SSN

The [ACP](#) is a federal benefit program that provides a monthly benefit on Internet services of up to \$30 for eligible consumers on non-Tribal lands or up to \$75 for eligible consumers living on qualifying Tribal lands.
