Homeroom:

We are pleased to inform you that your child listed above has been chosen to receive nutritious breakfast and lunch each day at no cost throughout 2023-2024 school year. Seminole County Public Schools Red Apple Dining is ready to personally serve your child. Your student may choose from the four to six fresh meals prepared daily at your campus restaurant. Every meal includes an entrée selection along with choice of fruit, vegetable and/or milk. It's our passion that each student receives the finest ingredients, like pizza sauce made with vine-ripened tomatoes, antibiotic-free chicken sandwiches, and salads crafted on a bed of fresh greens.

These benefits may have been granted due to a prior application for aid such as the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) or Medicaid. **An additional application for free or reduced-priced meals is not needed.** This benefit extends to all children in your household, and you should receive this letter for each student. **If a letter is not received for a student in your household, please contact Red Apple Dining at [mymealbenefits@scps.us](mailto:mymealbenefits@scps.us) as soon as possible.**

If you have questions about this decision or wish to refuse benefits, please contact Red Apple Dining at [mymealbenefits@scps.us](mailto:mymealbenefits@scps.us)

We appreciate the opportunity to serve your family. Please visit [www.redappledining.com/](http://www.redappledining.com/) for menu, nutrition and account information.

"A private school scholarship is available.

If your household qualifies for free or reduced-price lunch, your students may be eligible to receive a state-supported scholarship to a private school. The program, called the Florida Tax Credit Scholarship, was created in 2001 and is run by a nonprofit, Step Up For Students. The scholarship is based on income and not on the academic performance of either the student or the public school. The scholarship is worth more than \$4,000 and can be used at about 1,300 private schools statewide; a separate \$500 transportation scholarship is available to attend a public school in another county. In 2011-12, more than 38,000 students participated. For more information, visit [www.StepUpForStudents.org](http://www.StepUpForStudents.org), call 877-735-7837 or email [info@stepupforstudents.org](mailto:info@stepupforstudents.org)."
