Understanding my On Demand Statement:

Section 1: This section is a remittance slip that can be mailed with a check to pay on an outstanding balance.

Section 2: This section calculates your overall account Balance minus your Estimated Financial Aid to determine your remaining Balance Including Estimated Aid.

Section 3, Account Statement: Information displayed in this section is for the term selected in the On Demand Statement drop down.

- Estimated Financial Aid for the term selected: Here you will see any financial aid that is awarded but not yet posted to your account.
- Account Activity for the term selected: Here you will see any charges and payments that have already been posted to your account.
- Other Term Balances: If there is an outstanding balance in another term, it would display here.

Section 4, Student Schedule: Active registration for the selected term is displayed here
