**The SSI Payment Will Be Changed - If You Disagree With This Change,  
Appeal As Soon As Possible To Keep Getting The Same Payment**

We plan to lower LEGACY D. MCNEILL's monthly Supplemental Security Income (SSI) payment from \$666.30 to \$532.45 beginning March 2023. The amount will change because her other income increased. She will continue to get the new amount each month unless there is a change in the information we use to figure her payment.

We are also changing the amounts she was due for October 2022 through January 2023. Her amounts changed because her other income decreased.

We explain how we figured the monthly payment amounts on the worksheets at the end of this letter. The explanation shows how her income, other than any SSI payments, affects her SSI payment. We include explanations only for months where payment amounts change.

**Information About LEGACY D. MCNEILL's Appeal**

This letter is about the amount of LEGACY D. MCNEILL's SSI payments. We will send a separate letter about the appeal of our determination that her disability ended. Remember that if she loses the appeal, she might have to pay back some or all of the money.

**When You Will Receive Her Payments**

Your bank or other financial institution will receive her monthly payment of \$522.45 around March 1, 2023, and on the first of each month after that.
