Dear Parent/Guardian,

Your application for Free and Reduced-Priced meals in Wichita Public Schools for the **2022-2023** school year has been processed as a duplicate and there is **NO CHANGE** in status. Because of the year-long duration of eligibility, households are not required to report changes in income, household size, or their participation in a program that impacts your child's eligibility status.

If you still request the district to make this change, any student in your household that will attend Wichita Public Schools does **NOT** receive a status letter, any information listed is incorrect, you do not want your child to receive meal benefits, or you have any questions, please contact the Nutrition Services Department at 316.973.2160 or kidseat@usd259.net. More information is also available on our website www.usd259.org/KidsEat.

You also have a right to a fair hearing. To request a hearing, call or write Andi Giesen, Hearing Official, 923 N Cleveland, Wichita, Kansas 67214, 316.866.8187, agiesen@usd259.net.

You may reapply for meal benefits at any time during the school year. If you are not eligible now but have a decrease in household income, have an increase in household size, qualify for FA, TAF or FDPIR, you may complete a new application at that time.

Sincerely, David Paul, Director
