We are pleased to inform you that North College Hill City School District will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2022-2023.

What does this mean for you and your children attending the school(s) identified above? Great news for you and your students! All enrolled students of North College Hill School District are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2022-2023 school year.
