### Information About Your Recertification

Good news!

**You do not have to recertify at this time!** The federal government has given the Human Resources Administration (HRA) the ability to extend your Cash Assistance (CA) and/or Supplemental Nutrition Assistance Program (SNAP) certification period. This means that you do not need to recertify right now to keep getting your benefits. If you already submitted your recertification form, we will still act on any changes you reported.

When it comes time to recertify, we will send you a letter with all of the necessary information to complete your recertification.

If you want to know when you will need to recertify, you can log on to ACCESS HRA and look for your "Next Recertification Due".

**Do you have a medical or mental health condition or disability?** Does this condition make it hard for you to understand this notice or to do what this notice is asking? Does this condition make it hard for you to get other services at HRA? **We can help you.** Call us at 212-331-4640. You can also ask for help when you visit an HRA office. You have a right to ask for this kind of help under the law.
