To Whom It May Concern:

This letter will serve as confirmation that ***Byron E Smith III*** is currently enrolled with Georgia Cyber Academy (GCA) as a full-time student in the ***1<sup>st</sup> grade***. ***Byron*** enrolled with GCA on ***(02/13/2023)***.

The Georgia Cyber Academy is not a home school program (nor could it be - charter schools are expressly prohibited from being home school programs under the Charter Schools Act of 1998). Students enrolled at GCA are full time students of the Georgia Cyber Academy, a public charter school approved by the State Charter Schools Commission.

If you have any further questions about Georgia Cyber Academy or the student's anticipated graduation date, please feel free to follow up directly with me.
