Dear Parent/Guardian,

Your application for **Marco Dixon** was **APPROVED REDUCED for breakfast and lunch** in the Wichita Public Schools for the **2020-21** school year. The reduced price for meals is \$.30 for breakfast and \$.40 for lunch. We encourage you to pay in advanced to keep your student(s) account current, for quicker meal service. For your convenience, payments can be made at <https://family.titank12.com>.

If you wish to share your child's meal status to reduce your school fees, take this letter to your student's school at the time of fee payment and complete the Consent for Disclosure form online or at your child's school to designate which school fees to be considered for reduction.

If any child in your household that will attend Wichita Public Schools does **NOT** receive a status letter, any of the information listed is incorrect, or you have any questions or do not agree with the decision, please contact the Nutrition Services Department at 316.973.2160 or nseligibility@usd259.net.

To request a hearing, call or write Andi Giesen, Assistant Superintendent, AS Learning Services, 903 S Edgemoor, Wichita, Kansas 67218, 316.973.4436, agiesen@usd259.net.

You may reapply for meal benefits at any time during the school year. If you are not eligible now but have a decrease in household income, have an increase in household size or are approved to receive Food Assistance, TAF or FDPIR, you may complete a new application at that time.

Sincerely,
David Paul, Director
