Dear Michelle:

The Financial Aid Office at Cochise College has reviewed your application for the 2023-2024. We are pleased to offer the financial aid awards listed on this letter. If you are awarded a loan, you must be in at least 6 credit hours and be fully registered for the term, before the Financial Aid freeze date. Please inform us if you will not attend Cochise College or do not want the loan, if you were offered one.

Based on our evaluation of your need and enrollment status, we are able to offer the following award if you have completed your requirements.

Award Description	Crossover Disburse Dt	Fall Disburse Dt	Spring Disburse Dt	Summer Disburse Dt	Totals
Direct Loan Stafford		\$1,750.00	\$1,750.00		\$3,500.00
Direct Loan Unsub Loan		\$3,000.00	\$3,000.00		\$6,000.00
Federal Pell Grant		\$3,698.00 08/30/2023	\$3,697.00 01/25/2024		\$7,395.00
Total Awards		\$8,448.00	\$8,447.00		\$16,895.00

The **Pell awards are estimated at full-time enrollment** (12+ credits) and a qualifying expected family contribution. These award amounts will be adjusted according to your actual enrollment and family contribution. A 3/4 time enrollment (9-11 credit hours) will be 75% of the full-time authorization, and a 1/2 time enrollment (6-8 credit hours) will be 50% of the full-time authorization. If you are between 1 and 5 credit hours, you may also qualify for a less than half-time Pell award.

If you have active direct deposit information you will receive your refund in your bank, otherwise you will be mailed a paper check to your address on file.

If you have any questions, please contact the financial aid office at: Douglas (520) 417-4045, Sierra Vista (520) 515-5417, or Toll Free (800) 966-7943.

You may ask for a hard copy of your tracking, award, or non-satisfactory progress letter by emailing: FINAID@cochise.edu and telling us which letter you are requesting, your name, Cochise College C number and your current address. Allow 48 hours for processing and then mailing time.
