## Legal Information

### Nondiscrimination:

This institution is prohibited from discriminating on the basis of race, color, national origin, disability, age, sex and in some cases religion or political beliefs.

The U.S. Department of Agriculture also prohibits discrimination based on race, color, national origin, sex, religious creed, disability, age, political beliefs or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

### Supplemental Nutrition Assistance Program (SNAP)

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027), found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410
- (2) fax: (202) 690-7442; or
- (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

For any other information dealing with Supplemental Nutrition Assistance Program (SNAP) issues, persons should either contact the USDA SNAP Hotline Number at (800) 221-5689, which is also in Spanish or call the State Information/Hotline Numbers (click the link for a listing of hotline numbers by State); found online at: [http://www.fns.usda.gov/snap/contact\\_info/hotlines.htm](http://www.fns.usda.gov/snap/contact_info/hotlines.htm).

### Medicaid and Temporary Assistance for Needy Families

To file a complaint of discrimination regarding a program receiving Federal financial assistance through the U.S. Department of Health and Human Services (HHS), write: HHS Director, Office for Civil Rights, Room 515-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (202) 619-0403 (voice) or (800) 537-7697 (TTY).

This institution is an equal opportunity provider.

You also can file a complaint with the Texas Health and Human Services Commission, Civil Rights Office. Email [HHSCivilRightsOffice@hhsc.state.tx.us](mailto:HHSCivilRightsOffice@hhsc.state.tx.us), call 1-888-388-6332, fax (512) 438-5885, or write Texas Health and Human Services Commission, Civil Rights Office, 701 W. 51st St., MC W206, Austin, Texas 78751.

### Social Security numbers:

You only need to give the Social Security numbers (SSN) for people who want benefits. Giving or applying for an SSN is voluntary; however, anyone who doesn't apply for an SSN or doesn't give an SSN can't get benefits. If you don't have an SSN, we can help you apply for one if you are a U.S. citizen or a legal immigrant. You must be a U.S. citizen or a legal immigrant to get an SSN. You can get benefits for your children if they have SSNs and you don't. We will not give SSNs to the U.S. Immigration and Citizenship Services. We will use SSNs to check the amount of money you get (income), if you can get benefits, and the amount of benefits you can get. (7 C.F.R 273.6 for food benefits; 45 C.F.R 205.52 for TANF; and 42 C.F.R 435.910 for health care.)

### Citizenship and Immigration status:

You can get benefits for your children who are U.S. citizens or legal immigrants even if you are not a U.S. citizen or a legal immigrant. You do not have to give your citizenship or immigration status to get benefits for your children. You only have to give the citizenship or immigration status of people who want benefits. If you are not a U.S. citizen or a legal immigrant, the only benefits you might be able to get are emergency Medicaid services. Getting long-term care (Medicaid for the Elderly and People with Disabilities) or cash help (TANF) could affect your immigration status and your chances of getting a Permanent Resident Card (green card). Getting other benefits will not affect your immigration status and your chances of getting a Permanent Resident Card. You might want to talk to an agency that helps immigrants with legal questions before you apply. If you are a refugee or have been given asylum, getting benefits will not affect your chances of getting a Permanent Resident Card or becoming a citizen.

### Statement of Understanding

Read the box marked "All Benefit Programs." Then read the boxes about each of the benefits anyone is applying for.

#### All Benefit Programs

##### Facts HHSC has about me

HHSC uses facts about people applying for benefits to decide: (1) who can get benefits, and (2) the amount of benefits.

HHSC checks facts with the federal Income and Eligibility Verification System. If any facts don't match, HHSC will check other sources (banks, employers, etc.).

If anyone applying for benefits has an immigration registration number, HHSC must check with the U.S. Citizenship and Immigration Service (USCIS) system. HHSC will not give anyone's facts to USCIS.

In most cases, I can see and get facts HHSC has about me. This includes facts I give HHSC and facts HHSC gets from other sources (medical records, employment records, etc.).

I might have to pay to get a copy of these facts. I can ask HHSC to fix anything that is wrong. I do not have to pay to fix a mistake. To ask for a copy or to fix a mistake, I can call 2-1-1 or my local HHSC benefits office.

##### Keeping my facts private

HHSC will keep my facts private if they were collected:

- By HHSC staff or contracted provider staff.
- To find out if I can get state benefits.

HHSC can share facts about me:

- When needed for me to get state health care benefits.
- With phone and utility companies. They will find out if my bill amount can be lowered. HHSC will give them my name, address, and phone number.

#### SNAP food benefits:

Read this box if you are applying for food benefits.

##### Telling the truth

Anyone who applies for or gets SNAP must:

- Tell the truth.
- Never trade or sell SNAP benefits, Lone Star Cards, or other devices that allow people to get SNAP.
- Never use or have Lone Star Cards or other devices if they don't belong to that person.

##### Facts anyone tells or gives HHSC

HHSC uses the facts anyone tells or gives HHSC, including Social Security numbers to:

- Check if that person can get benefits.
- Make sure that person is following benefit program rules.
- Help other agencies check if that person can get other benefits.
- Recover benefits that person wasn't supposed to get.
- Share facts about that person with other state and federal agencies (for example, the Texas Workforce Commission, the Social Security Administration, and the Internal Revenue Service).

**Anyone who chooses not to tell the truth might:**

- **Not get SNAP for a year or more.**
- **Be fined up to \$250,000, jailed up to 20 years, or both.**
- **Lose income tax refunds.**
- **Be charged with other crimes.**
- **Have to repay benefits.**
- **Never get SNAP again.**

The same is true if anyone lets someone else use their Lone Star Card.

- Share facts with law enforcement officials so they can find people on that person's benefits case (the household) who are wanted for fleeing the law.
- Share facts with federal, state, and private claims collecting agencies for food benefit overpayment claims collection action.
- Check that person's facts with computer matching programs and credit reporting agencies.

(Food Stamp Act of 1977, as amended, 7 U.S.C. 2011-2036.)

**Medicaid:**

Read this box if you are applying for Medicaid benefits.

**Giving out facts about me**

I agree to let Medicaid health care providers (doctors, drug stores, hospitals, etc.) give out any facts about me to HHSC. This will allow the providers to be paid by Medicaid.

**If I give false information**

If I choose not to tell the truth, I might:

- Be charged with a crime.
- Have to repay benefits.

The same is true if I let someone else use my medical card or Medicaid ID.

**If I'm afraid to give facts about someone because it could cause harm (physical or emotional) to me or my child:**

I can ask to not give facts about that person. I will need to work with HHSC and a family violence center to get a "Family Violence Exemption."

**Medical and child support payments**

Depending on my benefits case, the Attorney General (the state) might check that I am getting the right amount of child or medical support payments and coverage.

- If only my child gets Medicaid, I can decide if I want the state to help get any payments and coverage we should get, but don't get right now.
- If my child and I both get Medicaid, I must:
  - Help the state get any payments and coverage we should get, but don't right now. If I don't help the state, my child can get Medicaid, but I might not.
  - Identify who the child's other parent is.
  - Allow the state to keep any medical support payments.

If I get Medicaid, HHSC will keep medical service payments I can get from other sources, such as:

- My health insurance.
- Money I got because of injuries.
- Money collected for me or my children by the Office of Attorney General.

I must tell HHSC about these sources. If I don't, I am breaking the law.

HHSC will only keep the amount of medical support and service payments allowed by law. I will work with HHSC to get these funds.

### TANF cash help for families:

Read this box if you are applying for TANF.

#### Child support or alimony

I agree to:

- Let the state keep any child support or alimony money owed to anyone during the time they get TANF.
- Let the state keep this money after TANF benefits end, if the TANF amount anyone got still needs to be paid off.
- Tell HHSC about money anyone gets.
- Work with HHSC to get this money; if I don't, I am breaking the law.

The state will only keep the amount allowed by law.

#### If I give false information

If I choose to not tell the truth, I might:

- Be charged with and punished for a crime. (This could include going to prison for up to 10 years or community supervision.)
- Have to repay benefits.
- Never get TANF again.

## What can I buy with SNAP?

SNAP food benefits are used to buy food and garden seeds. Most grocery stores accept SNAP.

You **can't** use SNAP to:

- Buy tobacco.
- Buy alcoholic drinks.
- Buy things you can't eat or drink.
- Pay for food bills you already owe.

## How will I get my SNAP benefits?

You will get a plastic card called the Lone Star Card. Every month your SNAP amount will be put in your Lone Star Card account. You will use this card like a credit card at the cash register. To get help with your card, call 1-800-777-7328 (toll-free).

## Can I get SNAP?

You might be able to get SNAP if the money you get (income) and the things you own are under a set limit.

Some things you own are not counted, for example:

- Your home
- Personal items
- Life insurance policies

## How will I know how much I have in my SNAP account?

We will send you a letter telling you how much you will get each month. You can check your balance by logging into your account at [YourTexasBenefits.com](http://YourTexasBenefits.com) or by calling the Lone Star Card help line at 1-800-777-7328 (toll-free).

## How long will I get SNAP?

We will send you a letter telling you how long your benefit period is. Most adults age 18 to 49 who do not have a child in the home can get SNAP benefits for only 3 months in a 3-year period. The benefit period can be longer if the adult works at least 20 hours a week or is in an approved work program. Some might not have to work or be in a work program to get benefits, such as those who have a disability or are pregnant.

## How do I apply?

- **Online:** [YourTexasBenefits.com](http://YourTexasBenefits.com).
- **At a benefits office:** To find a Texas Health and Human Services Commission (HHSC) benefits office near you, go to [YourTexasBenefits.com](http://YourTexasBenefits.com) or call 2-1-1 (after you pick a language, press 1).

## Can someone else buy food for me?

You can get a Lone Star Card for another person. That person can use the card to buy food for you. You are responsible for what that person buys with that card. If a card is lost or stolen, you must call us right away at 1-800-777-7328 (toll-free). We will not replace any SNAP benefits used before you report the loss or theft of the card.

8. A child who gets SNAP will get free school lunches. The child must: (a) go to a public or private school, and (b) be in grades pre-school to high school. Contact your child's school if:
  - You don't want your child to get free school lunches.
  - You think your child should get free school lunches but doesn't.
  - You have questions about the free school lunch program.

## Program Rules

1. Anyone who applies for or gets SNAP must tell the truth about their benefits case.
2. It is against the law for anyone to do or try to do any of the following:
  - Trade, sell, or steal SNAP benefits or Lone Star Cards.
  - Share their Lone Star Card PIN (password).
  - Use Lone Star Cards that don't belong to them.
  - Sell food they make with items bought with SNAP benefits.
  - Buy items in refundable containers with SNAP benefits to get refunds and not use the items.
  - Re-sell items bought with SNAP benefits.
3. Most people age 16 to 59 must follow work rules to get SNAP benefits. Work rules mean a person must look for a job or be in an approved work program. If the person has a job, they can't quit without good cause. A person who doesn't follow the work rules will be penalized.

If your SNAP case has more than one parent or caretaker with a child (age 17 or younger), you must decide which parent or caretaker will be listed as the "primary wage earner." If you don't decide who will be the primary wage earner, HHSC will decide for you. If the primary wage earner doesn't follow the work rules, **everyone** on the SNAP case will be penalized. Penalties:

- **1st time:** No SNAP benefits for 1 month or longer (until the person follows the rules).
  - **2nd time:** No SNAP benefits for 3 months or longer (until the person follows the rules).
  - **3rd time:** No SNAP benefits for 6 months or longer (until the person follows the rules).
4. You must tell us about changes to your case within 10 days of the change. We gave you a list that shows the changes we need to know about (see Form H1019, Report of Change).
  5. If you get more SNAP benefits than you should, you must pay them back.
  6. If you move out of the state before using all the benefits in your account, you can use your Lone Star Card at stores that accept SNAP benefits in other states.
  7. These are the penalties for people who break SNAP rules on purpose:
    - **1st time:** Can't get SNAP for 1 year.
    - **2nd time:** Can't get SNAP for 2 years.
    - **3rd time:** Can never get SNAP again.If a court of law decides you can't get benefits, the court will decide for how long.
  8. If you have a felony drug conviction on or after September 1, 2015 and:
    - If you don't follow parole or community supervision rules, you might not get SNAP for 2 years.
    - If you get another felony drug conviction while you are getting SNAP, you can't ever get SNAP again.

**If you have any questions, call 2-1-1.**
