NOTICE:

This report was prepared by Global HR Research, LLC ("GHRR"), 9530 Marketplace Road, Fort Myers FL 33912, Toll Free: 1-800-790-1205, www.ghrr.com. For any county or statewide criminal record searches which may be shown on the report above, please be aware Records Searched does not necessarily reflect number of years reported. The jurisdictions searched do not reflect on whether the subject of the report ever resided in that jurisdiction. For county searches, results reflect a search of the predominantly used index at the principal courthouse where felony and misdemeanor criminal records are located; additionally, lower level criminal and non-criminal history information obtained from the courthouse may be included in these results. Prison and probation periods reflect original sentencing at time of adjudication and not actual time served. Pending cases filed more than 7 years ago are not reported. If the subject of this report is a resident of CA, MA, MT, or NM, GHRR will only report convictions occurring in the last seven years, irrespective of the jurisdiction from which the criminal history originates.
