

## Subject: Fulton County Schools Implements Free School Meals Greetings Families,

Thanks to the temporary expansion of Child Nutrition Waivers, USDA has approved flexibilities to support meal distribution due to COVID-19. Fulton County Schools will continue to provide free meals to all children 18 & under, or under the age of 21 for youth with special needs. All children, regardless of school enrollment or meal eligibility status, can receive free meals.

At breakfast, this includes one entrée, one fruit, one juice, and/or milk. At lunch, this includes one entrée, two vegetables, one fruit, and/or milk. Meals will be accounted for using a no-contact cashiering method. Breakfast and lunch meals at school, do NOT need to be pre-ordered. Grab & go meal kits also include reheat-ready choices such as whole-grain rich grilled cheese sandwiches. Meal safety, reheating instructions, and a menu are provided in the meal kit.

Even though all students will temporarily receive free meals, households are strongly encouraged to complete a Free & Reduced Meal application. If there is an interruption in benefits or the household does not reapply, the household is responsible for payment of meals until the application is approved. Once the extension of USDA waivers expires, students will be charged for their meals based on their meal eligibility status (free, reduced, or full pay). A new application must be completed every school year. The application deadline is September 28th, 2020. Visit www.fulton.schoollunchapp.com to begin the online Free & Reduced Meal application.

We appreciate your assistance and will coordinate this effort as efficiently as possible, but our goal remains to feed the students while keeping potential exposure to the community as limited as possible.
