In Case of Errors or Questions about Electronic Fund Transfers

Call: 855-830-6200 or write: ONE Finance Inc., P.O. Box 162227, Sacramento, CA 95816-2227 as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. You may only assert an error by contacting us at the phone number or address set forth above.

When contacting us:

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question regarding an EFT in writing within 10 business days. Our business days are Monday through Friday, excluding holidays observed by the Federal Reserve System ("**Business Day**").

We will generally determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 Business Days to investigate your complaint or question. If we decide to do this, we will provisionally credit the relevant Pocket within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit the Pocket.

For errors involving new accounts, point-of-sale, or transactions initiated outside of the United States, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 Business Days to credit you for the amount you think is in error. A new account is an account that was first funded within 30 days prior to the error.

We will tell you the results within three (3) Business Days after completing our investigation. If we determine that the disputed transaction was appropriately authorized we will deduct any provisional credit to the relevant Pocket and we will send you a written explanation. You may ask for copies of the supporting documents that we used in our investigation.
